PARENTAL CONSENT FORM
to play rated "M" games**

Consent from a parent/guardian is required for your minor child to be able to play games with an ESRB rating of "M" for Mature, including all applicable expansions and variations of said games (the "Games")... A couple examples are Halo 3, Call of Duty 4. We can *not* make game-by-game requests for computer games (I.e, Counter-Strike Yes, Call of Duty No), but we *can* for the Xbox-360 game console.

I am the parent or legal guardian of _____ ("Minor") who is under 17 years of age. I hereby give consent to allow Minor to play Games that have a rating of "M" for Mature as specified by the Entertainment Software Ratings Board.

As listed on the ESRB website (<http://www.esrb.org>):

MATURE

Titles rated M (Mature) have content that may be suitable for persons ages 17 and older. Titles in this category may contain intense violence, blood and gore, sexual content and/or strong language.

My signature below as the parent or legal guardian indicates that I understand the ESRB rating of "M" for mature, and that I give my permission to allow the Minor to play the Games without restriction or limitation.
